This privacy policy supplements the MiraBelles Airlines regulation, available on the following link : <https://www.mrb-va.fr/en/rules>

II. Foreword

MiraBelles Virtual Airline (further identified as MRB-VA) is a group of IVAO network members (<https://www.ivaoo.aero>) or aeronautical enthusiasts based on flight simulation. This group is possible thanks to the Airline Staff involvements, which member list is available on the following link : <https://www.mrb-va.fr/fr/staff>.

IVAO Network refers to the Non-Profit organization IVAO VZW, registered in Belgium in 2007.

The registration to MRB-VA implies the acceptance of both the Airline regulation and the present Privacy Policy. It is requested that any user who does not accept all or part of these requirements should renounce the registration and use of the MRB-VA website.

All the hereinabove requirements respect the French laws currently in effect.

The website is made available and hosted by OVH ; it is available on the following link : <https://www.mrb-va.fr>.

Development, update, deployment and publication of the present website is completely managed by Robin Novakovic.

The website hosting fees are shared within MRB-VA Staff members.

The website development fees are completely paid by Robin Novakovic.

The website <https://www.mrb-va.fr> is made free of charge to its users.

The users accept to join the Airline Discord Server which access is allowed by the MRB-VA Staff. MRB-VA Staff provides the management and the administration of the Discord Server.

III. Personal Data Storage

Upon the registration with the MRB-VA, personal data are stored in the website. This is the full list of personal data stored and processed :

- First name, Surname
- E-mail address
- Preferential language
- Allocated callsign (which shape is MRBxx)
